

Judge Thrash,  
my name is Craig Allen and my case is before your Court.  
Case number 1:24-CR-00130-TWT-JSA

FILED IN CLERK'S OFFICE  
U.S.D.C. Atlanta

OCT 03 2024

We have already requested a plea hearing date and I am writing to request an expedited Sentencing hearing date. I understand 7 business days from the Change of plea date is mandatory before the Sentencing date.

KEYVIN P. WEIMER, Clerk  
By: *[Signature]* Deputy Clerk

My Side has been Co-operating with the prosecution to help save the Court's time as well as the prosecution's time.

I am requesting consideration to expedite Sentencing because my current location is not appropriate and there is risk to my person. Judge Salinas said as much in my bond hearing. In fact she indicated I should be released on bond because my current location is not appropriate and that I needed to prepare for my case. my lawyer Natasha Silas said as much during my bond hearing when she told me "Mr. Allen you will have to stay over the weekend if you can handle it."

We will have my Change of Plea hearing soon as we have already requested a date and again I am requesting the actual Sentencing as soon as possible after the plea hearing if it pleases the Court. We indeed have tried to minimize the Court's time.

Thank You for Your Consideration,
